The first days matches showed us that everyone came to play but there were 2 players that went undefeated the first day, George Ashby and Adrian Viguera. Second day play was already set to be exciting since Ashby and Viguera were the scheduled final match of the day. Most exciting part of the day was when Rich Conboy was matched against Brian Morgan, Rich wasn't aware that he needed 22 points to get 3rd place, Brian had him 27 to 21 ran 2 and kissed out of the winner, Rich shot an excellent short 4 rail shot inside the diamonds to get the magic 22nd point. The match between George Ashby and Adrian Viguera, George missed the opening break and Adrian ran seven, they were tied at seventeen, neither player had the upper hand, see-sawed back and forth with Adrian getting the advantage 26 to Georges 21, then Adrian found new life and a four point run to close it out 30 to Georges 21!
