### **If you have already registered online with us, then do NOT register again.**

-If you have NEVER been a paid USBA Member before and have NOT yet registered, then click “**Join the USBA**” on the left side menu to register or join the USBA.

If you have any trouble accessing features on the website after registering or joining, then try logging out and back in again or closing your browser or internet connection. Then try again. If you still have a problem, then please contact the webmaster or secretary right away by clicking “**Contact Us**” on the left side menu.

-If you have ALREADY REGISTERED, then login to “**My USBA**”. On the top center of most pages throughout the USBA website, you will find “**My USBA Login**”. This is the nerve center to access the main online features. You are able to login to “**My USBA**” by entering your email address and password.

Once logged in, choose “**Membership Details**” and click “**Renew/Extend Membership (Pay Fees)**”, even though you are a first-time member. This will give you the option of a one year or a three year membership. You can also pay by credit or debit card using Paypal. You do NOT need to have a Paypal account. Follow the instructions to renew your membership. Your membership will be automatically updated and your online access to “**Members Only**” features will be activated immediately. If you have any trouble, try closing and then re-opening your browser or logout and then log back in.

You can also pay by personal check or money order. Follow the instructions and mail it to the Secretary along with payment. Payments made by personal check will “clear” the USBA account after 15 days from the date it is received by the USBA. Once “cleared” by the USBA, your membership will be updated and your online access to “**Members Only**” features will be activated.

-If you have previously been a USBA Member within the past few years and have NOT yet registered, then please go back to the previous page and click **Online Registration**.
