To learn how to run a USBA Tournament, a Regional Qualifier or a 3-Cushion Billiards Challenge Shot Contest, look at the left-hand menu of options on the USBA website (www.USBA.net).

The 11th option from the top says, “**Running Tournaments, Regional Qualifiers & Shot Contests**”. Click that option.

- 1) How to Run Tournaments: By clicking this option you will receive very detailed instructions on how to run a USBA Tournament.
- 2) Running a Regional Qualifier: By clicking this option you will receive instructions on how to run a Regional Qualifier and be given a list of the forms that are necessary to be completed. It will NOT give you detailed instructions on how to run a tournament, in general. For that information, click the first option “**How to Run Tournaments**”.
- 3) Running a 3-Cushion Challenge Shot Contest: By clicking this option you will receive detailed instructions and forms on how to have a 3-Cushion Billiards Challenge Shot Contest which is actually for pool players. This is a good way to get pool players introduced to the great game of 3-cushion billiards.

At any point, you can print one of the pages of instructions if you like. To go back to a previous page, click the back button on your browser.
