

Membership Details:

If necessary, you should print this document and read it while you are on your computer.
Click here to print this document.

Once you have logged in to “**My USBA**”, there are 5 boxes with options. Choose “**Membership Details**”.

Current Membership Status: This will say “CURRENT” if your dues have been paid and your membership has not yet expired or it will say “NOT CURRENT” if your membership has already expired. Membership lasts for one full year from the date of payment (\$ 50.00) or 3 full years if you have chosen a 3-year discounted membership (\$135.00). Also, you will receive a \$ 15.00 commission for every *new member that you refer to the USBA.

Membership Expiry Date: The date that your membership will expire (or has expired).

To renew your membership, click the button that says “**RENEW/EXTEND Membership (Pay Fees)**”. This will give you the option of a one year or a three year membership. You can also pay by credit or debit card using Paypal. You do NOT need to have a Paypal account. Follow the instructions to renew your membership. Your membership will be automatically updated and your online access to “**Members Only**” features will be activated immediately. If you have any trouble, try logging out and back in or closing and then re-opening your browser.

You can also pay by personal check or money order. Follow the instructions and mail it to the Secretary along with payment. Payments made by personal check will “clear” the USBA account after 15 days from the date it is received by the USBA. Once “cleared” by the USBA, your membership will be updated and your online access to “**Members Only**” features will be activated.

*A new member is someone who has never been a USBA member before or has not been one for at least 3 years from the year in which the new member pays his/her current dues. A current USBA Membership Application must be properly completed and include the referrer’s contact information as well. Commissions earned will be paid on January 1st and July 1st of each year.
