To see our online store, look at the left-hand menu of options on the USBA website (www.USBA.net).

The 10th option from the top says, “**Online Store**”. Click that option.

As of now, we are working with a company called “EmbroidMe” which makes custom-embroidered merchandise such as shirts, vests, bow-ties, caps, pants, etc. When you order through EmbroidMe, most apparel will come with the USBA logo embroidered on it (shirts, etc. will have the logo on the left-side lapel).

All sales are through EmbroidMe and **NOT** the USBA. The USBA will receive a small commission from each sale. Any customer service issues or complaints are to be made to EmbroidMe and **NOT** the USBA.

To enter, click where it says “**Click Here to enter the EmbroidMe website**”. This will bring you to the “USBA” online store for embroidered merchandise through EmbroidMe.

Click one of the links on the left side menu to look at stuff. Let’s start with “**SHIRTS**”. After clicking “**SHIRTS**”, you will see 4 photos of different shirts, all with the USBA logo on the lapel. A description of each shirt is below the pictures.

Click the 2nd picture: **Men’s Polo Shirt**. A description of the item will be displayed and the price. The price includes the embroidered USBA logo. If you are unsure of the size to order, then click “**Sizing Charts**” or “**FAQ**” on the left side menu.

Please follow the directions carefully and call them (**not us**) if you have any questions or problems. I believe all sales are final so please make sure you order correctly.
