

**11/4/08: New Southeast Regional Director**

Jake Zymeck, the Regional Director for the Southeast Region has moved to New York and will no longer be serving as a Regional Director. We wish to express our appreciation to him for all the hard work he did as Director, for running tournaments and contributing to many of the new policies and ideas which have been enacted by the USBA Board of Directors. Thank you, Jake.

In his place, Mr. Henry Ugartechea is now the new Regional Director for the Southeast Region. Henry is involved in running tournaments at several rooms in the Miami/Ft.Lauderdale area of Florida. We look forward to his contribution to the work of the USBA which benefits all 3-cushion players and the game itself. Congratulations to Henry!
